## Switch It! – The Real Alternative to OEM Digital Inks

Marabu presents its new “Switch It!” concept which offers a real alternative to OEM printing ink. Simply replace the original ink of your printer by one of Marabu’s digital printing inks and benefit from many advantages:

- Development and production of Marabu digital printing inks under the same strict tolerances as OEM printing inks (Made in Germany)
- Straightforward compatibility (available in all common refill systems such as cartridges, bags, bottles)
- High quality and improved performance with simultaneous reduction of production costs
- Professional support and assistance from our team of application engineers
